Genl. Magruder Dear Sir

I have employed Mr. J. Q. Pye as Overseer who is set out to a Matagorda Company but will be subject to the Conscription Act. and not being willing to be conscripted he has determined to leave and volunteer in Brown Battalion. he is willing to remain with me if detailed And this is to request you to order him to be sworn into the service and detailed to Overseer one of my plantations.

My family residence is in Matagorda 20 miles from one & 50 miles from the other plantation & in summer I am not able to attend to either and it will not do to leave the negroes to themselves. Now there are Overseers on but one plantation (Mrs. Bowie) for 8 or 10 miles up or down the Creek. The planters principally old men are endeavoring to attend to their own business during winter which leave the negroes much to themselves at night as very few of the planters reside near their negro quarters & most of them some miles from the Prairie when Mr. Pye leaves my service.

Dear Sir I am
unaccustomed to military rule but would
that I should enclose my letter to Gen.
Magruder to you as his adjutant if I
am wrong this is my apology, please lay it
before him and please give me an early
answer the course was suggested by the
Gen. himself to me when present. if not
out of rule please direct the order for
the detail to my care so that I may have
it attended to at once and oblige one who
wishes to be classed among your friends

Through you to

respectfully tender my Resignation
as 1st Lieut Capt. Courtz B. Suttons
Company Graham Rangers My reasons
are thus for the last six months I
have suffered with Gen. Dropsy Chronic
Gleetitis with enlargement & induration
also Chronic hepatitis & Chronic nephritis
the last of long standing which has
rendered me incapable of performing the
duties of my office I am not indebted to the
Government for any thing I therefore most
respectfully & tender my Resignation

Lt R. J. Patton of Capt C. B. Luttons
Company of Graham Rangers, having
applied for a certificate of disability
upon which to ground his application
for a discharge from the Confederate
States Army.

I certify that I have carefully
examined Lt Patton and find
him incapable of performing the duties
of a Soldier, on account of
Limp and General debility,
caused by Chronic Nephritis
Hepatitis & Splenitis, of long
standing. It is my opinion &
belief after a careful survey of
all the symptoms that he never will
be able to do the duties of a Soldier.
I therefore most respectfully recom-
mend that he be discharged from
the Confederate States Army.

Major A. S. Dickinson A. A. Genl

Dear Sir

I have the honor to acknowledge the receipt of orders from the Maj. Genl. Comdg. directing me to arrest deserters from the Regt. of Col. Stone & Phillips, and to report, by letter to them.

I have reported to Col. Stone, but as yet, do not know where to address Col. Phillips. I do not know to what Dept. of the Army Col. P's Regiment is assigned, whether to Louisiana or Arkansas, or Texas. I shall however direct a letter to Col. P. at Shermanport La. with instructions to the express agent, to carefully forward.

I know the locality of most of the deserters from Stone's Regt. having seen a published list of their names and places of residence which will enable me to operate against them very soon.

I have written to Col. Stone & Phillips for a full and descriptive list of deserters from their Regts.

Most of the men, I think, are from Texas and countries adjacent thereto. I shall send fifty men to operate there. I have no forces

on hand. Nor have I had any, and not much of any thing else. My outfit furnished by the Government, consists of four mules, two saddles and one small four

small wagon; every thing else that we have, or
have had, has been furnished by my men individually.

I have however, very recently made arrangements
with the Post. G. M. at Jefferson for what cooking
utensils I may want.

As I have no funds on hand
I would suggest that the Post G. M. ^{& camp} at Dallas be
ordered to furnish my men with subsistence &
forage for the present.

Some few days since I received orders from
Maj Gen Scurry, to report to Col Geo White, Com
pany agent at Austin, my orders from Col
White were delivered to me by one of his agents
who left him on yesterday with about thirty of
my men, to be stationed at some point in
Northern Texas; perhaps Old River, or Lamar
Ck. My orders from Col White were to divide
my men in; or rather my Company into four
different squads, one to be stationed at
above point, one at or near Jefferson, one
at Tyler and one at Brownsville, with
orders to inspect all cattle belonging
to speculators; and in fact allow none to
pass unless under orders from Mag. Rice at
Little Rock or Maj Thomas at Shreveport.

From conversation with the agent, and
information from Col White's orders, I am aware that
there has been smuggling going on by a set of
men who are a disgrace to the South, if such
is the case, it should be suppressed.

If it is the wish of the Maj Genl. Comd. I
will endeavor to suppress it, if necessary, and report the

and stop the Calico Speculation. Many
of Slaves' assets are in Collins Hunt and
of Kins. Etc. Thirty of my men are now in
that region of country, in hunting and
these counties, through which large droves of
white fap, my men can examine the papers
of the cattle drivers, and improve and direct
the business. Another portion of my Company
is hunting in Dallas and adjoining
counties, and can act in like manner
consequently with a few men left at Tyler, together
with the information I can get from certain
points of the State, I can easily guard all
the points specified by Gen. White, and also carry
out the instructions of the Major Genl. Canine as aforesaid.

This plan might interfere somewhat with the
movement of assets from Gen Phillips Regt. for
the reason before stated, that I do not know
the locality.

Gen White's agent informs
me that Beef Cattle are moved within the limits
of the enemy, from this State, by secret enemies among
us and it is highly important that such trade should
be stopped. I have therefore taken the liberty to make
my suggestions, as to the duties of my Company,
subject of course to the approval or disapproval
of the Gen Comd this Department. I think

as soon as the speculators learn that the military
authorities are watching them, that they will
begin to be so cautious that the trade will
be a great measure cease. The news will
be abroad that men have been stationed at
these points to check the trade and it may

and stop the cattle speculation. Many
stories 'circulate' in Collins Hill and
Kins. Co. Thirty of my men are now in
a region of country, in hunting and
these counties, through which large drives of
cattle pass, my men are examining the papers
the cattle drivers, and impress and arrest
any. Another portion of my company
is hunting in Dallas and adjoining
counties, and I am all in like manner
consequently with a few men left at Tyler, together
with the information I can get from certain
points at Crockate, I can easily guard all
points specified by Col White, and also carry
out the instructions of the Maj Genl Comd as aforesaid.

This plan might interfere however with the
movement of cattle from Col Phillips Regt. for
reasons before stated, that I do not know
of locally.

Col White's agent informs
that Beef Cattle are carried within the lines
of the enemy, from this state, by secret enemies among
and it is highly important that such trade should
stop. I have therefore taken the liberty to make
a suggestion, as to the duties of my Company,
subject of course to the approval or disapproval

My requisition was for Pistols and Colts

which I think is a small number for

De A General

Sir

I have been busily
employed since I have been here, and have arrested
a good many deserters. Among them are
one deserter from Hubbard's Regiment - Watson -
a notorious cut-throat, and
another who belongs to a band of
robbers - holding the office of 1st Lieut. bidding
defiance to the laws civil and military, & other
authorities that he deserted from 1st Lieut. Hubbard's
Regiment and says he would never go back
to it, without being compelled. He has resisted
all efforts heretofore, to be caught or coerced,
and should be shot - both because he justly
deserves death, and because it would
be an example which this country now so
much needs. My object in writing
is to know from you, after putting you in
possession of these facts, if it would not be
advisable to send them to their commands
or at Gen Smith's & Co. My orders
received from Gen Jones at Hempstead was to
take them to the latter place. The citizens
in this county are afraid of these men, and are
much gratified that I have arrested them,
in as much as several attempts have been
made heretofore, by different companies, and

failed to find them or finding, failed to arrest them. It is thought that it would be dangerous to permit them ever again to go in the service.

The evidence that could be adduced against them would convict, before a Court Martial, even though the Court be under heated.

Please answer me by Telegraph. what ~~disposition~~ ^{disposition} to make of them, at your earliest convenience as I am about through with my work in this County, and am anxious to go on to the other counties to which I am ordered.

Company "A" of Col. Licken's Regiment. Commanded by Capt. Blaine was made up of men from this, and Leon Counties. I have ordered them to their place of rendezvous, which they all willingly obey.

All the men of that regiment, and the citizens with whom I have conversed, seemed pleased to hear that Lt. Col. Burns was ordered to be arrested, and looked upon the example he set as being a very bad one to the army.

Six companies of that Regiment are in Quett. County, I shall send a detachment of men there to notify them &c.

Men belonging to. Leartes and Parson Regiments are passing through every day en route for their commands in La. They

all seem in fine spirits, I shall remain
with 10 or 15 men until

Capt. S. J. Yancy Dear Sir:

I arrived at this place to day and shall leave in the morning, going via Willican, thence to Houston and Galveston, I shall be detained two or three days in Willican to repair my wagons and harness, which have been damaged by the bad and long roads I have had to travel, I sent off about two weeks since, some money of my Company, to find out Capt Wheeler's and band location, my only chance, to learn that was through letters which I was satisfied they would write to their friends and relations in Angelina Co. My spies report that the information they derived was, that the Capt after the arrest of Maj. Pierce and his band, called all his men together & told them, "This Country was getting too hot for him" that he was going to Mexico, if they wanted to go they could do so, if not, return home or to their Commands.

Only a few remained with him most of them went to their Commands.

(Markus Division) Some went with him
and some to their homes, he was there
near Nac.

I am happy therefore happy
to inform you, that Reads, Phulus &
Pearce's Bands have been scattered and
all is now quiet in the Country
where they formerly ranged. It is
certainly a very unpleasant duty, & I
do hope that the General may have
no further cause to send me after
the infamous wretches
hoping to be with you soon
I am etc.

A General

Sir

A part of my
company have gone to Houston with
prisoners, and another squad to Shreveport
with about thirty other prisoners, & await
and await in obedience to your orders.
My company have been on duty so
long, & have been generally so long, and
that they are much fatigued and
indeed, and a large majority of
them, with backs badly hurt by the saddle
having had but five days rest during
the three months.

If the General does not need my
services at this particular time, at Houston
or elsewhere, I would take it as a special
favor and accommodation, if he would
give me permission, after my squads are
absent on duty, to return, to rest my company &
stock a few weeks. I have here in an adjoining
county, there is a surplus of forage, with which,
and the benefit of grazing, I could soon recruit my
stock. If he needs my services however, I do not
ask it. — Tyler will continue to be my address.
I am Capt. very respectfully your obt. Serv.
